Britain's Naval and Political Reaction to the Illegal Immigration of Jews to Palestine, 1945-1949 Fritz Liebreich

This book provides an important shift in the analysis of Britain's policy towards the illegal postwar Jewish immigration into Palestine. It charts the development of Britain's response to Zionist immigration, from the initial sympathy, as embodied in the Balfour Declaration, through attempts at blockade, *refoulement* and finally disengagement.

The book exposes differences in policy pursued by the great departments of state like the Foreign, Colonial and War Offices and their legal advisors, and those implemented by the Admiralty. The book argues that the eventual failure of Britain's immigration policy was inevitable in view of the hostility shown by many European nations, and America, towards Britain's ambition to retain her position in the Middle East.
