Modern Sports Law: A Textbook Jack Anderson

The aim of this book is to provide an account of how the law influences the operation, administration and playing of modern sports. Although the book focuses on legal doctrine it has been written bearing in mind sport's historical, cultural, social and economic context, including the drama and colour of sport's major events and leading personalities. And although it is inevitably very much concerned with elite professional sports it is not dominated by them, and seeks to cover the widest possible range of sports, professional and amateur.

Initially, the book addresses practical issues such as the structures of national and international sport, and examines the evolution of the body of law known as 'sports law'. Thereafter three main themes are identified: regulatory; participatory; and financial aspects of modern sport. The regulatory theme is dealt with in chapters considering the manner in which decisions of sports governing bodies may be challenged in the ordinary courts and the development of alternative dispute resolution mechanisms in sport. The participatory theme includes the legal regulation of doping and violence in sport, as well as the broader topic of tortious liability for sporting injuries. The financial theme, reflecting the enhanced commercialisation of sport at all levels, is developed in chapters concerning issues in applied contract and employment law for players and legal matters surrounding the organisation of major sports events. The conclusion summarises modern sport's experience of EU law, pointing the way to the future direction of sports law more generally.

While the book is aimed primarily at students, and is designed to cover fundamental and topical areas of sports law (sports law in general; sports bodies and the courts; arbitration in sport; corruption; doping; violence; civil liability; discrimination; the commodification of modern sport; and the likely future of sports law), it should also prove of wider interest to practitioners, sports administrators and governing bodies; and though focused primarily on UK law it will also appeal to readers in Australia, Canada, New Zealand and the USA.

From reader reviews:

Steven Holloway:

In this period globalization it is important to someone to obtain information. The information will make anyone to understand the condition of the world. The health of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You will see that now, a lot of publisher that print many kinds of book. The book that recommended for you is Modern Sports Law: A Textbook this e-book consist a lot of the information in the condition of this world now. That book was represented just how can the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. Often the writer made some research when he makes this book. Here is why this book suited all of you.

Linda White:

That e-book can make you to feel relax. This specific book Modern Sports Law: A Textbook was colourful and of course has pictures on the website. As we know that book Modern Sports Law: A Textbook has many kinds or variety. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and think that you are the character on there. Therefore , not at all of book tend to be make you bored, any it offers you feel happy, fun and chill out. Try to choose the best book in your case and try to like reading which.

Steven Jones:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Modern Sports Law: A Textbook can make you experience more interested to read.

Lawrence Pomerleau:

A lot of people said that they feel weary when they reading a publication. They are directly felt that when they get a half areas of the book. You can choose typically the book Modern Sports Law: A Textbook to make your personal reading is interesting. Your own personal skill of reading talent is developing when you such as reading. Try to choose simple book to make you enjoy you just read it and mingle the feeling about book and reading especially. It is to be first opinion for you to like to available a book and study it. Beside that the e-book Modern Sports Law: A Textbook can to be your brand-new friend when you're sense alone and confuse in doing what must you're doing of the time.
