## **Risk Management in Port Operations, Logistics and Supply Chain Security (Lloyd's Practical Shipping Guides)** Khalid Bichou, Michael Bell, Andrew Evans

Risk Management in Port Operations, Logistics and Supply Chain Security is the first book to address security, risk and reliability issues in maritime, port and supply chain settings. In particular this title tackles operational challenges that port, shipping, international logistics and supply chain operators face today in view of the new security regulations and the requirements of increased visibility across the supply chain.
