## Too Many Curses A. Lee Martinez

The wizard Margle the Horrendous takes special pride in never killing his enemies. Instead, he transforms them into various accursed forms and locks them away in his castle. His halls are filled with his collection of fallen heroes and defeated villains, along with a few ordinary folk who were just unfortunate enough to draw Margle's attention.

It's Nussy's duty to tend this castle. It's a lot of work, but she manages, taking pride in housekeeping talents that keep the castle from collapsing into chaos. But when Margle suddenly dies, everything begins to unravel. Nussy finds herself surrounded by monsters, curses, a door that should never be opened, and one very deadly dark wizardess.

Nussy doesn't have might or magic on her side; she's just a kobold: short, furry, and sensible. Her allies aren't much better: a voice without a body, an angry fruit bat, a monster under her bed, a wizard in a jar (or some of him, anyway), and a one-eyed, one-horned, flying, purple, people eater. It would be smarter to walk away, but taking care of the castle is Nussy's job, and that's just what she intends to do.

If only she could find time to polish the silver while beating back the forces of darkness.
