Youth Pastor: The Theology and Practice of Youth Ministry Houston Heflin

A youth pastor—whether paid or unpaid, full-time or part-time, right out of college or right out of retirement—has a big job to do. Actually, anyone who accepts God's call to help young people grow as disciples of Christ has *several* big jobs to do. The youth minister must be a teacher who can communicate the essentials of the faith; a friend who can listen to and be present with young people; a prophet who challenges teens to live lives of justice and righteousness; and an administrator who can manage the day-to-day logistics of youth ministry.

Youth Pastor: The Theology and Practice of Youth Ministry provides a biblical and theological grounding for the many jobs a youth minister does, explains what each of these jobs entails, and helps youth pastors identify where their gifts lie and where they still need to grow. Whether you are a first-time youth minister or a seasoned youth ministry veteran, *Youth Pastor* gives you valuable tools for evaluating your ministry and vocation. It also serves as an excellent text for undergraduate courses in youth ministry.
