Sometimes decorating can be deadly serious

Haley Farrell is taking a chance on herself. After earning her interior design certificate, she quits her retail job and opens a decorating business. But starting her own company may be tougher than she first thought. Just as Haley's first assignment gets underway, she suddenly finds herself as the prime suspect in a murder investigation. What's worse, the victim is Haley's best friend and mentor, Marge Norwalk.

Reeling from Marge's death, Haley soon realizes that the only way to prove her innocence is to find the real murderer. Before long, Haley is collecting clues and suspects like other designers collect paint chips and fabric samples. But will contractor Dutch Merrill and detective Lila Tsu be swayed by her investigative talents? Or will she be the one punished for this perfectly designed crime?
