Exploring Water with Young Children, Trainer's Guide (The Young Scientist Series) Ingrid Chalufour, Karen Worth

The trainer's guide serves as an indispensable handbook for trainers and administrators interested in introducing staff to the *Exploring Water with Young Children* curriculum—from planning to implementation. From exploring sinking and floating to using books to extend science learning, seven basic and eight advanced workshops develop staff members' understanding of science and inquiry teaching skills. The guide also includes strategies for supporting teachers over time through mentoring and guided discussions, as well as an extensive resource list.
