I'm Proud of My Dad is a wonderful heartfelt story about a little boy, who tries to relate to his dad. He spends much time missing his dad, who always seems to be working; and he wonders what he does at work and why he is not around more. The big question comes when the little boy invites his father to the school for “show and tell” and the father continues to decline the invitation. After his mind wanders and he imagines his father absorbed in all types of roles and occupations, the father confesses what he really does for a living.

I'm Proud of My Dad is about the relationship between a father and his son. It is the perfect story for every dad to share with his young boy at bedtime.
