It's Only a Game Terry Bradshaw

This is the absolutely guaranteed 100% mostly true story of Terry Bradshaw: the man who gained sports immortality as the first quarterback to win four Super Bowls -- and the man who later became America's most popular sports broadcaster.

IT'S ONLY A GAME

"I had a real job once," begins a memoir as honest, unexpected, and downright hysterical as Bradshaw himself. From his humble beginnings in Shreveport, Louisiana, to his success as the centerpiece of the highest-rated football studio show in television history, Terry has always understood the importance of hard work. A veritable jack-of-all-trades, he has probably held more jobs than any other football Hall of Famer *ever*: pipeline worker, youth minister, professional singer, actor, television and radio talk show host, and now one of the nation's most popular speakers.

But let's not forget one of the reasons why so many people know and love Terry Bradshaw: *he won four Super Bowls!* In *It's Only A Game*, Terry brings the reader right into the huddle and describes the game from the bottom of a two-ton pile to the top of the sports world. You'll sit right on the fifty-yard line and watch as Terry earns the title *world's greatest benchwarmer*. And you'll also hear about the single greatest play in pro football -- the Immaculate Reception -- as he never saw it.

It's Only A Game is much more than a collection of Terry Bradshaw's favorite and funniest stories, it is the personal account of a great man's search for life before and after football...as only Terry could tell it.
