## **Unlucky For Some (Detective Chief Inspector Lloyd & Judy Hill Mysteries)** Jill McGown

Selected by The Times (London) as one of the twentieth century's "100 Masters of Crime," Jill McGown writes mystery-suspense novels with plots that defy second-guessing. In *Unlucky for Some*, her thirteenth book featuring Detective Chief Inspectors Lloyd and Hill, the quiet life of an English town scarcely conceals the deadly menace lurking around dark corners and within the human mind.

Michael Waterman is a self-made millionaire. His casinos and nightclubs ensure a constant flow of cash, and Waterman knows what he needs to do to keep it that way. So far, it seems, he has stayed on the right side of the law. Certainly, no one seriously suspects him of murdering bingo player Wilma Fenton, who was struck down while walking home with a purse crammed full of winnings. Her murder looks like an ordinary mugging except for one oddity: The killer had left Wilma's money neatly fanned out across her body.

The motive behind the bafflingly violent act dogs Lloyd and Hill— now married and the harried parents of a two-year-old daughter. The stakes are raised with a second murder, modeled on the first . . . and then a third. A cold-blooded killer is challenging not only the police but the one witness to the first slaying: England's premier expert on serial crime, well-known journalist and TV personality, Tony Baker. It has now become a twisted game of madness and logic—in which failure to outwit the murderer means more senseless deaths.

In this astonishing Lloyd and Hill novel, Jill McGown's storytelling genius will captivate longtime fans as well as first-time readers. *Unlucky for Some* is lucky for all admirers of virtuoso suspense writing.

*From the Hardcover edition.*
