*Mary Oliver*

## **What Do We Know: Poems And Prose Poems** Mary Oliver

"Mary Oliver's poetry is fine and deep; it reads like a blessing," wrote Stanley Kunitz many years ago; and recently, Rita Dove described her last volume, *The Leaf and the Cloud*, as "a brilliant meditation." For the many admirers of Mary Oliver's dazzling poetry and luminous vision, as well as for those who may be coming to her work for the first time, *What Do We Know* will be a revelation. These forty poems-of observing, of searching, of pausing, of astonishment, of giving thanks-embrace in every sense the natural world, its unrepeatable moments and its ceaseless cycles. Mary Oliver evokes unforgettable images-from one hundred white-sided dolphins on a summer day to bees that have memorized every stalk and leaf in a field-even as she reminds us, after Emerson, that "the invisible and imponderable is the sole fact."
