## **Andalucía de leyenda (Spanish Edition)** Manuel Lauriño

Manuel Lauriño vuelve a sorprendernos con esta sarta de "historias y leyendas" extraídas del acervo cultural de Andalucía. Con un estilo muy peculiar de gran fabulador y gran divulgador al mismo tiempo, Lauriño hace desfilar personajes y lugares que todos tenemos en la cabeza aunque pocos podríamos verbalizar de manera tan concisa y bella. Algunas de estas piezas son auténticos descubrimientos y otras tienen un ceñido aparato histórico. Nunca mejor dicho aquello de aprender con deleite, pues cada narración por mágica, onírica o fabulosa que sea tiene unas referencias históricas divulgativas que aprehenderemos ya de forma imborrable. Desde "El Especiero Judío" hasta la bella "Nanafassy", que cierra el libro con vuelos trágicos, cada una de estas historias, en las que tienen cabida las ocho provincias andaluzas, nos irán ganando el alma a través de un mágico caleidoscopio de personajes y lugares que nos devuelve al goce lector.
