Beautiful Money: The 4-Week Total Wealth Makeover Leanne Jacobs

This revolutionary four-week financial/wealth plan shows you how to transform your relationship with money from the inside out by exploring your financial behaviors and beliefs.

Most of us know what it feels like to chase success. We sacrifice time with our loved ones, our weekends, our vacation, and perhaps even our sanity, in exchange for a paycheck. We try (and fail) to have it all, but we don't find satisfaction in any of our achievements. Instead, we find ourselves sitting in our offices and big houses feeling unhappy, broke, burnt out, and unfulfilled. *Beautiful Money* offers another option.

This book does more than show readers how to make more money, streamline personal finances, and learn how to invest and budget. The Beautiful Money program is based on the simple but powerful premise that in order to achieve true wealth, you must connect and align your inner self with clear and specific external actions. Based on Leanne Jacobs' popular Beautiful Money course, this book shows you how to customize your daily schedule and work life so that each and every day produces emotional and financial dividends. By transforming the emotional biases and nonsensical behaviors that come with dollars and cents, in addition to addressing saving and spending habits, *Beautiful Money* takes a holistic approach to increasing net worth.
