## Exile (Conjunctions Book 62)

### Exile (Conjunctions Book 62)

From the moment homes and homelands came into being, exile ensued. While narratives of exile share themes of banishment, loss and longing, they are as diverse as the human experience itself. Writers as different as Homer and Heinlein, Aeschylus and Camus addressed this subject. In *The Satanic Verses*, Salman Rushdie conceives of exile as “a dream of glorious return. Exile is a vision of revolution. It is an endless paradox: looking forward by always looking back.” Its permutations know no bounds. The political dissident deported, or jailed, under house arrest; the defected spy; the classic prince banished by his royal father from the city gates; the communal exile of the diaspora. Through cutting-edge fiction, poetry and essays by emerging voices and contemporary masters, *Conjunctions: 62, Exile* explores the ramifications of expulsion and ostracism. Contributors include Edie Meidav, Peter Straub, Can Xue, H.G. Carrillo, Ales Steger, Maxine Chernoff and others.
