The Quotable Krishnamurti Robert Epstein

Truth is a pathless land; you cannot approach it by any religion. . . . My only concern is to set men absolutely free. So said Jiddu Krishnamurti, one of the most influential spiritual leaders of the twentieth century. Born in India in 1905, as a teenager he was groomed by Theosophists C. W. Leadbeater and Annie Besant to become the next World Teacher. Yet later he broke from his mentors, refusing to play the messiah. For decades he traveled the globe, urging his followers to pursue their own, individual freedom without dependence on any doctrine. Hence this book's guiding purpose. Author Robert Epstein culls key quotations from Krishnamurti's 'Commentaries on Living' and other works. Conveniently organized from A to Z, topics range from acceptance and anger to consciousness, fear, fulfillment, God, hope, joy, love, nonviolence, reincarnation, relationship, self-understanding, sex, suffering, vegetarianism, war, and wisdom. "You are the world, and the world is you," said Krishnamurti. "If there is a radical transformation in the structure of an individual's psyche, it will affect the whole consciousness of man." This small jewel of a book contains enormous power to inspire readers to just such a change.
