## **Em Busca Da Felicidade (Portuguese Edition)** Alder D'pass

O livro narra a história de vida do autor desde sua primeira infância até o ano de 2006, quando ele decide retomar os estudos e fazer faculdade de filosofia. Para isso, ele teve que se libertar do apego aos filhos, e superar sua zona de conforto, abrir mão de seu comércio de artesanato na Feira da Torre de TV de Brasília e, mudar para Belo Horizonte onde fez o bacharelato de filosofia. Mas, o objetivo do autor no livro é defender a tese filosófica de que a 'vida' é o caminho para a autorrealização e felicidade do homem que, para isso deve necessariamente 'viver a vida'. Em outras palavras: vivenciar as experiências que a vida terrena proporciona a todo ser humano conforme sua cultura, raça etc. O que implica em dizer que a vida humana tem um propósito, uma finalidade que é sua autorrealização enquanto espírito imortal em infinita evolução.
