Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Cotton Gin is not loveable to be your top list reading book?

Mark Klein:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Cotton Planter's Manual: Being a Compilation of Facts From the Best Authorities on the Culture of Cotton; Its Natural History, Chemical Analysis, Trade, ... a History of Cotton and the Cotton Gin can make you feel more interested to read.
