## **The Evolution of Standards (Ökonomische Analyse des Rechts)** Volker Simmering

Volker Simmering shows how globalization influences the evolution of international standards and compares the roles of mandatory and voluntary standards. He investigates the problem of technological progress in networks and analyzes the resolution of conflicts within international standardization bodies. As a result, he suggests that policy intervention and the presence of adjacent institutional arrangements are likely to improve the performance of network markets, e.g. those for information technology and telecommunication.
