When no one or nowhere is safe, where do you go to escape the monsters? In a few short days, 37 year old Emma Rossi's hard work will finally pay off. She will don her cap and gown and graduate with a degree in nursing, but not before she loses her first patient and is confronted with a new reality. In Cape Coral, Florida, a storm approaches. The dead are coming back to life. And they're hungry. Infection ravages the Eastern Seaboard with alarming speed while attempts to contain the spread of infection fail. Within days, a small pocket of panicked survivors are all that remain of civilization. Fighting to survive the zombie apocalypse alongside her husband Jake and their dog Daphne, Emma comes face-to-face with her worst nightmare. Relying on snarky wit and sheer determination, she is forced to commit atrocious acts to protect her family and avoid joining the ranks of the undead.
