Patricio Bernedo, Ricardo Couyoumdjian

El proceso económico. Chile (1808-1830) (Spanish Edition) Patricio Bernedo, Ricardo Couyoumdjian

Se presenta una síntesis de los principales cambios que el sector económico chileno experimenta en estos años. El país debe adaptarse a las necesidades generadas por la guerra de independencia y reestructurarse tras ella: comercio, agricultura y minería evolucionan transformándose durante este período.

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

Distinciones:

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial
