*Understanding, Combating, and Overcoming the Anti-Christian Agenda, Apathy in the Church, and the Decline of Morality in Culture*

**‘Eradicate’ identifies two major problems** causing the spiritual and moral decline in our country: the secular agenda to blot out God, and the apathy of Christians. This book will expose the anti-Christian movements in America and give you a thorough understanding of the foundational battle for truth. With 78% of Americans claiming to be Christians, how did it get to the point where Christianity is having less of an influence on our culture than culture is having on Christianity? Too many believers have conformed to our culture and we’re now suffering the consequences as a nation.

**The Bible contains much prophecy concerning end times**, warning us to not be ignorant so we can be bold and fight the good fight of faith. As Christians, we’ll predictably face more hostility and possibly increased persecution in America as we draw closer to Jesus Christ’s return. It is now more pivotal than ever that we prepare ourselves, know the truth of Scripture, and understand the direction our country has taken.

**Enemy forces continue to destroy this nation** by attacking America's Judeo-Christian roots from within. This book will investigate government, media, Hollywood, public schools, our culture of death, and the push toward socialism and Marxism. You’ll see how some churches and leaders are diluting the Word of God weakening the witness of believers. You may be outraged as this book exposes how sin is being openly promoted, yet encouraged because God is still in control. There’s a remnant of committed Christians resisting evil and standing in the way. The choice is ours: who or what will we give our allegiance to, God or man; to Jesus Christ or to culture and politics? As Christians, our loyalties must not be divided any longer or America may be lost.
