Good Snakekeeping Philip Purser

This comprehensive guide contains entries on more than 35 snake species, from those commonly available to subspecies and related species, desirable rarer species, and even species to avoid altogether. Written by an expert snake keeper, the chapters detail the natural range, habitat, pet suitability, and specific care requirements of different snakes. The book also discusses creating habitats for pet snakes, including cage types, substrates, heating, lighting, humidity, and terrarium fixtures, and provides instructions for setting up the enclosure for desert, forest, rainforest, and semi-aquatic species.
