## **Los consejos de los filósofos (Siglo XXI) (Spanish Edition)** Juan Carlos Siurana

El presente libro nos invita a un recorrido sencillo y ordenado por la historia de la ética, desde los sofistas hasta Friedrich Nietzsche, extrayendo consejos para orientarnos en nuestras vidas cotidianas. Frente al ajetreo vital, nos ayuda a no perder de vista las cuestiones realmente importantes, como la felicidad y la justicia. Aunque suele presentarse a los filósofos clásicos como opuestos entre sí, el autor nos ofrece un listado de consejos que resultan compatibles y que, juntos, constituyen una nueva herramienta para medir el progreso moral de los seres humanos y de las sociedades.
