3250 Questions to Ask Before Marriage K. M. Ryan

"3250 Questions to Ask Before Marriage" is an essential guide for couples who are dating, engaged or getting married. With an estimated 40% of all marriages ending in divorce, couples need to be sure they really know the person they are marrying and are well prepared to enter marriage as a lifetime commitment. Couples can pick out subject areas where they believe they have the most conflict and ask each other those questions. When couples can ask each other questions and listen to each other actively, honestly, and openly, they gain insight into their partner's beliefs, values, goals, likes, and dislikes. Couples who are able to openly, honestly and lovingly communicate with each other are the couples whose marriages have the best chance of success. This book has questions on subjects that include work, money, sexuality, personality, education, health, children, religion, the past, entertainment, and much more. The author also includes a bonus section of questions that include questions to ask your pastor, questions to ask his mother and his ex, questions for her dad to ask her partner, questions for men to ask themselves, and more. When couples are able to explore intimacy with their partner, explore their own and their partner's thoughts and feelings, and understand their partner and themselves, they have a much higher chance of entering into a successful marriage that will last.
