**Connect The Dots** rashmi Bansal

Mahima Mehra did it. Ranjiv Ramchandani did it. Kalyan Varma did it. Connect the Dots is the story of 20 enterprising individuals without an MBA, who started their own ventures. They were driven by the desire to prove themselves. To lead interesting, passionate, meaningful lives. Their stories say one thing loud and clear. You don't need a fancy degree or a rich daddy to dream big and make it happen. It's all in your head, your heart, your hands.

**From reader reviews:**

**Amanda Chatham:**

Information is provisions for individuals to get better life, information these days can get by anyone on everywhere. The information can be a understanding or any news even restricted. What people must be consider whenever those information which is within the former life are difficult to be find than now is taking seriously which one is suitable to believe or which one the particular resource are convinced. If you get the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Connect The Dots as the daily resource information.

**Emery Flores:**

Reading a book tends to be new life style on this era globalization. With reading through you can get a lot of information that may give you benefit in your life. With book everyone in this world can share their idea. Books can also inspire a lot of people. Many author can inspire all their reader with their story or maybe their experience. Not only the storyplot that share in the textbooks. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors nowadays always try to improve their proficiency in writing, they also doing some research before they write to the book. One of them is this Connect The Dots.

**Earl Quintana:**

Spent a free time to be fun activity to do! A lot of people spent their leisure time with their family, or their very own friends. Usually they carrying out activity like watching television, about to beach, or picnic from the park. They actually doing same every week. Do you feel it? Will you something different to fill your free time/ holiday? Could be reading a book can be option to fill your cost-free time/ holiday.
