## **Nursing Home Federal Requirements: Guidelines to Surveyors and Survey Protocols, 7th Edition**

James E., PhD, MSPH, NHA, IP Allen

"[The book] lists all the federal requirements that are evaluated by state surveyors during the annual survey visit to nursing homes and for complaint visits. The exhibit section contains forms used by surveyors to gather data during the survey visit. Visually, the format makes the regulations easy to read. If nursing home staff used the book to prepare for a survey, they would be well prepared."
