*Reflections on the One Life* is a book of daily expressions or pointers to spiritual awakening—one pointer for each day of the year. The clarity is astounding. This demystifies spiritual awakening, strips it of all fundamentalism, and presents it in a clear and easy-to-read way. This is about the timeless presence that you already are. Each pointer peels away beliefs, positions, and ideas about spirituality, including the idea that you exist as a separate self, only to reveal—in the end—that nothing is excluded. Its central message is that there is only One Life appearing in a myriad of forms. You are that One Life. This is when the distinctions between absolute and relative, form and formlessness, timelessness and time, no self and self, One and many, and all other boundaries collapse into a great and loving mystery that Scott calls 'This'.
