**Loving her is the most dangerous thing I've ever done...**

*Cleo*

I've never wanted anybody like I want him. The old me would never have given into those feelings. I was always the good girl; the responsible one.

But that was before the home invasion that left me in a coma for a month. I've lost my apartment and my job. And my ex-boyfriend vanished when I was still in the hospital.

I'm done with being the good girl. I'm taking what I want.

*Roman*

I knew she was different; knew it from the first moment I set eyes on her. I didn't just want to scr\*w her. Oh don't get me wrong, I wanted her bad. But there was more to it than that. I had this powerful urge to take her in my arms and protect her.

Which was ironic, because my obsession with her was about to put both our lives in danger.

Tall, Dark & Lethal is a full-length romance novel with a happy ending.
