Black Star Nairobi (Melville International Crime) Mukoma Wa Ngugi
Two cops—one American, one Kenyan—team up to track down a deadly terrorist.

It's December 2007. The Kenyan presidential elections have gotten off to a troubled start, with threats of ethnic violence in the air, and the reports about Barack Obama on the campaign trail in the United States are the subject of newspaper editorials and barstool debates. And Ishmael and O have just gotten their first big break for their new detective agency, Black Star.

A mysterious death they're investigating appears to be linked to the recent bombing of a downtown Nairobi hotel. But local forces start to come down on them to back off the case, and then a startling act of violence tips the scales, setting them off on a round-the-globe pursuit of the shadowy forces behind it all. A thrilling, hard-hitting novel, from the author of *Nairobi Heat*, a major new crime talent.

From the Trade Paperback edition.
