Resurrection: The Capstone in the Arch of Christianity Hank Hanegraaff

In this definitive work, popular Christian apologist Hank Hanegraaff offers a detailed defense of the Resurrection, the singularly most important event in history and the foundation upon which Christianity is built. Using the acronym F.E.A.T., the author examines the four distinctive, factual evidences of Christ's resurrection-Fatal torment, Empty tomb, Appearances, and Transformation-making the case for each in a memorable way that believers can readily use in their own defense of the faith.
