The first in a sexy new series where the hard-hitters of Las Vegas's Stamina boxing gym are K.O.-ed by the women they never saw coming...

After suffering a devastating loss during his last fight, heavyweight boxer Jack Brady's whole career went down for the count. Now, his late manager's daughter has inherited his contract and Jack is pleased to discover that the girl he fell in love with as a kid has grown into a strong, sexy woman—until she makes it clear that Jack has no choice but to get in the ring.

Daniella Chambers is determined to get her father's failing gym back on track with Jack's upcoming fight. She knows Jack's got the talent to become champion and decides to force the unmotivated fighter away from the neon lights of Vegas to train in the seclusion of her lake house. But when they take a time out from their sessions to steam up the bedroom, the urge to win gets all tangled up with their desires.

Now, Jack's fight is swiftly approaching, and the fate of the gym isn't the only thing on the ropes...

Includes an exclusive preview of the next Ringside novel, *Going the Distance*.
