**The Boy Who Never Grew Up (The Stewart Hoag Mysteries) David Handler**

**A famous director, mired in a nasty divorce, hires Hoagy to salvage his name**

In Matthew Wax's films, politicians are honest, parents are respected, and nice guys finish first. Wax has been Hollywood's most beloved director for decades, and his personal life seemed as squeaky-clean as the world of his films. But when he and his wife, leading lady Pennyroyal Brim, file for divorce, the mud starts to fly. She accuses him of bedroom tyranny, sexual perversion, and every stripe of abuse. When she announces a tell-all memoir, Wax fires back the only way he can. He calls Stewart Hoag, ghostwriter to the stars.

To tell Wax's side of the story, Hoagy and his basset hound Lulu have to get closer to the boy wonder than anyone ever has. The true story of the man behind America's most family-friendly films is even darker than the press suspects, and people will die to keep it hidden from view.
