A little nod to those of us who are still feeling slightly half-baked: those with struggling families, cracked relationships, and a world that's showing a little wear around the seams. When God wants to create the remarkable, He chooses to work with the less-than-perfect.

Genesis is a book of beginnings. It is deeply concerned with the origins of things—of the universe, of humankind, of relationships, of sin, of civilization, of families, and of one special family created and chosen by God to be the instrument through which He would bless the world. That family is our family, yours and mine. Like all good family stories, it starts with not just a something or somewhere, but a someone.

Part memoir, part biblical inspiration story, *Broken & Blessed* is about how change begins when one person decides to believe God's promises and how that makes a change in a family, like ripples on water.
