From the author of *The Someday Jar* comes a witty and warm novel about a matchmaker who's an expert at matters of the heart—except when it comes to her own...

Matchmaker Bree Caxton has a 98% success rate, a book about to hit the stands, and an amazing boyfriend. Until, that is, he gets cold feet about their future and runs from their relationship.

Afraid no one will buy a book on love from a woman whose love life is a mess, Bree begs her one matchmaking failure, Nixon Voss, to pose as her boyfriend. But when they become a hit with readers, they must carry on their charade just a little longer. Fortunately, they're both having fun...

But then Bree's ex decides he wants her back and a newspaper presents a challenge that could expose the truth about her rocky love life. Now she must find the courage to embrace what is, or risk losing something much bigger than her reputation: her heart...
