Good Night Montana (Good Night Our World) Adam Gamble

Many of North America's most beloved regions are artfully celebrated in these boardbooks designed to soothe children before bedtime while instilling an early appreciation for the continent's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions—such as the Rocky Mountains in Denver, the Georgia Aquarium in Atlanta, Lake Ontario in Toronto, and volcanoes in Hawaii. Rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place. Covering many of the state's most interesting places and features—including Yellowstone National Park, Glacier National Park, Grizzly Bears, elk, the Rocky Mountains, the Museum of the Rockies, whitewater rafting, fly fishing, skiing, mountain wildflowers, cattle ranches, hot springs, the University of Montana, and dinosaur digging—this children's book is a celebration of all things Montana.
