## Cute Gets Badder

After the success of her first book, *Kawaii Not*, Meghan Murphy's fans have been begging for a second volume. Here it is—where cute gets badder. Each 4-panel comic features adorable versions of everyday objects saying not-so-adorable things.

In this volume, find even more subversive comics that combine Japanese-inspired cute with clever quirkiness. The results are open for interpretation: Strange and beautiful? Crazy and crude? Hilarious? Perhaps all of the above. And here are more cool features:

- Each strip is perforated, so it can be torn out and given to a friend.
- This book actually has a built-in easel, so it's easy to display comics on a desk or shelf.
- There are also two pages of stickers featuring the kawaii characters!
