Carlos Martínez Assad

Memoria del Líbano (Primero vivo) (Spanish Edition) Carlos Martínez Assad

Muchos caminos llevan a Líbano.

Carlos Martínez Assad transita cada uno de ellos hasta lograr que confluyan en un mapa hecho de palabras, y nos invita a acompañarlo en el recorrido de sus descubrimientos.

Atento investigador de la sociedad y la historia, Martínez Assad estudia el difícil destino de un pequeño país escindido por luchas internas, prolongadas guerras civiles y la intervención de intereses y agresiones extranjeros, en una zona donde cualquier movimiento puede desatar la barbarie y la destrucción de conquistas milenarias. El autor redescubre también, el aliento de la comunidad libanesa asentada en México, el sentido de su propio apellido y la sangre que fluye por sus caminos.

Las fotografías que se incluyen - realizadas por él mismo - forman parte de los testimonios reunidos por el autor y no son mero complemento de este libro: contribuyen a hacer de la lectura una experiencia integral en la que percibimos plenamente sensaciones e ideas.
