Retold for Learners of English by Clare West.

How do you get a licence if you want to keep a monkey? What can you do if your wife has a lover? How can you see into the future? Where can you go for an exciting but cheap holiday somewhere hot and far away? How can you persuade your girlfriend or boyfriend to marry you? The characters in these six original short plays are looking for answers to these questions. While trying to solve their problems, people get into some very funny situations. Each play gives an amusing view of life today, and there is often an unexpected ending.
