## **Haceldama (Spanish Edition)** Guillermo Rodríguez

Haceldama es leída como una narración en clave. El relato, una recreación literaria de algunos hechos ocurridos en la Penitenciaría de Santiago, nos introduce, a través del coa o el lenguaje de las cárceles, a los códigos morales de los distintos grupos de reos. El universo penitenciario lo conforman presos políticos y presos comunes, funcionarios, gendarmes, entre los cuales se origina una lucha sangrienta. La novela gira en torno a dos hechos: el surgimiento de presos comunes que apoyados por la gendarmería intentan el control de una cárcel con la consecuente reacción violenta del resto de los encarcelados, y un intento de fuga con sus trágicas consecuencias. Haceldama, en arameo, o "campo de sangre" se remite a la muerte violenta por traición, a la recompensa de la iniquidad.
