**Who am I? Why am I here? Where do I find meaning?**

Life is full of big questions. The study of philosophy seeks answers to such questions. In his latest book, prolific author Vern Poythress investigates the foundations and limitations of Western philosophy, sketching a distinctly Christian approach to answering basic questions about the nature of humanity, the existence of God, the search for meaning, and the basis for morality.

For Christians eager to engage with the timeless philosophical issues that have perplexed men and women for millennia, this is the place to begin.
