**Storm Riders (Dragon Brigade Series Book 2)** Margaret Weis, Robert Krammes

In a world where magic is intrinsic to the fabric of everyday life, two kingdoms, centuries-long enemies, have long sought a powerful magical weapon that will win them lasting dominance. But neither realm is ready when they are both attacked by the Bottom-Dwellers, a bitter people whose own land was destroyed, and who now live only to take vengeance on those they blame for a wretched life in the storm-tossed abyss they inhabit. Using contramagic strengthened by blood sacrifice to attack the world above, they threaten to bring down whole cities, or even the island kingdoms themselves. Freya and Rosia are forced to put aside their age-old conflict to defend themselves, or risk losing everything.

As the Bottom-Dwellers' contramagic eats away at the magic of the dragons that helps protect the world above, a former dragon-riding hero gathers a ragtag group to form a new dragon brigade, the one desperate hope of the two kingdoms to defeat the fiends who threaten their world. As the effects of contramagic bring the world ever closer to disaster, the new dragon brigade fight the vengeful adversary. Their high-flying heroics will be to no avail, though, unless they can somehow uncover forbidden knowledge, long hidden by the Church, without which they will never be able to prevent the world's destruction.

Margaret Weis and Robert Krammes deliver yet another exciting dragon brigade adventure in *Storm Riders*.

#### **Brian Pena:**

As we know that book is vital thing to add our know-how for everything. By a e-book we can know everything we want. A book is a list of written, printed, illustrated or even blank sheet. Every year has been exactly added. This book Storm Riders (Dragon Brigade Series Book 2) was filled in relation to science. Spend your extra time to add your knowledge about your technology competence. Some people has several feel when they reading some sort of book. If you know how big advantage of a book, you can feel enjoy to read a book. In the modern era like today, many ways to get book that you just wanted.

#### **Jose Crawford:**

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Storm Riders (Dragon Brigade Series Book 2) can make you feel more interested to read.
