**Well Read and Dead (High Society Mystery Series)** Catherine O'Connell

The return of blue-blooded fashionista Pauline Cook, whose search for a missing friend leads her from an iconoclastic book group to the deepest and most unfashionable reaches of the Far East.

Back in Chicago after a disastrous European love affair, socialite Pauline Cook finds her finances nearly depleted, her co-op a shambles, and her best friend mysteriously missing—vanished along with Pauline's cat. Though Whitney Armstrong's husband offers a substantial reward for the return of his lost wife, Pauline can't help suspecting that his grief is merely an act. But it's a shocking suggestion by a member of Whitney's book club that really gets Pauline moving—halfway around the world, in fact, to Thailand . . . in spite of a psychic's warning of terrible danger.

In Asia, a morass of dark motives and deadly corporate intrigues await the intrepid globe-trotter. And all the high society connections in the world aren't going to ensure that Pauline makes it home alive. . . .
