A Guidebook to Paradise Lost Joe Nutt

Paradise Lost has excited and provoked poets and critics for over 300 years. This introduction provides an accessible route

into Milton's influential epic poem, guiding students through each of the twelve books by a combination of close textual analysis

and summary of key themes and techniques.

Without assuming prior knowledge, Nutt helps navigate the book's biblical and classical background and its relationship to seventeenth-century history. Focusing on developing the reading skills needed to approach this important and complex poem

independently, *A Guide to Paradise Lost* is essential reading for all students of Milton.
