Derivatives Demystified: A Step-by-Step Guide to Forwards, Futures, Swaps and Options (The Wiley Finance Series) Andrew M. Chisholm

The book is a step-by-step guide to derivative products. By distilling the complex mathematics and theory that underlie the subject, Chisholm explains derivative products in straightforward terms, focusing on applications and intuitive explanations wherever possible. Case studies and examples of how the products are used to solve real-world problems, as well as an extensive glossary and material on the latest derivative products make this book a must have for anyone working with derivative products.
