Did you know you can change your life by simply changing your environment?

In this easy to follow instructional book, you will

- Learn how to use the basic tenants of Classical Feng Shui to optimize your environment and align yourself for success
- Determine your personal number (or Gua)
- Discover your best directions and favourable sectors
- Understand simple feng shui concepts that can be applied to your home or work environment

You will also discover what Chinese Master's have been using for thousands of years to enhance their luck, influence prosperity and cultivate helpful relationships. Susan Horning gently initiates you into the study of Chinese Metaphysics, as well as The Eight Mansions and Flying Stars methods, which set a quality standard for Feng Shui around the world.

By harnessing your favourable directions, using your best sectors, and understanding simple feng shui concepts, you can change your life!

With a foreword written by Marlyna Los, Feng Shui Master:

“This book is a must-have for anyone interested in developing their skills in Feng Shui analysis and application.”
