Winston Churchill

La crisis mundial 1911-1918: Su historia definitiva de la Primera Guerra Mundial (Spanish Edition)

Winston Churchill

Winston Churchill no fue únicamente un gran líder político y militar, también fue un cultivado historiador y un prolífico escritor galardonado con el Premio Nobel de Literatura en el año 1953. A lo largo de estas páginas narra de forma magistral los dramáticos detalles que, desde 1911, empezaron a forjar un conflicto a escala mundial y que, por último, desencadenaron la llamada Gran Guerra. Asimismo, describe los inicios del concepto bélico moderno dominado por la alta ingeniería, las trincheras, el terror de los civiles y los avances científicos.

Este libro perdurará como el gran clásico de la historia de la Primera Guerra Mundial que es. Una lectura esencial para todos aquellos que deseen entender mejor el siglo xx.

«Un libro extraordinario.»

John Maynard Keynes
