**Hands-on investment strategies for facing the new financial realities of retirement**

*". . . every conceivable facet of retirement planning and the adviser-client relationship is dealt with in a manner that is methodical yet entertaining."*--William J. Bernstein, M.D., Ph.D., principal, Efficient Frontier Advisors, and author of *The Intelligent Asset Allocator*

Today's burgeoning class of retirees is discovering that financial needs--not to mention investment guidelines--change significantly after retirement. *Retire Sooner, Retire Richer* addresses the very real concerns of not only planning for retirement but also where to invest assets both prior to and during retirement. Frank L. Netti helps to answer important concerns on these matters, including:

- Is a financial planner necessary?
- How can I design an effective, personal pension plan?
- How can I be certain that my savings will last my lifetime?
- What kinds of insurance options do I have?

Using the four keys to financial preparedness, *Retire Sooner, Retire Richer* shows readers how to make the most of their investments for the long term.
