## **Sanguines (French Edition)** Pierre Louÿs

Dans les jardins verts de la blanche Ephèse, nous étions deux jeunes apprentis avec le vieillard Bryaxis.

Lui, venait de s'asseoir dans un siège de pierre aussi pâle que son visage. Il ne parlait point. Il grattait la terre du bout de son bâton usé.

Nous, par respect pour son grand âge et pour sa grande gloire plus vénérable encore, nous nous tenions debout en face de sa personne, adossés à deux cyprès noirs et n'osant ouvrir la bouche alors qu'il ne disait rien.

Immobiles, nous le considérions avec une sorte de pitié dont il semblait avoir conscience. Nous lui savions gré de survivre à tous ceux que nous aurions voulu connaître; nous l'aimions de se montrer à nous, simples enfants nés trop tard pour entendre les voix héroïques; et, pressentant les jours prochains où personne ne le verrait plus, nous cherchions en silence les invisibles liens qui l'unissaient à son œuvre éclatante. Ce front avait conçu, ce pouce avait modelé dans l'argile de l'ébauche, une frise et douze statues pour le tombeau de Mausole, les cinq colosses dressés devant la ville de Rhodes, le Taureau de Pasiphaé qui fait rêver les yeux des femmes, le formidable Apollon de bronze et le Séleucos Triomphant de la nouvelle capitale... Plus je contemplais leur auteur, et plus il me paraissait que les dieux avaient dû façonner de leurs mains ce sculpteur de la lumière, avant de descendre jusqu'à lui pour qu'il les révélât aux hommes.
