Llana Love is about to find out that her dream visions are actual events that propel her into varying parallel universes and to become something she only thought existed in her dreams and on the Space Channel. After her husband's death she is faced with realizing that reality is never what it seems, it has all been a prerequisite to become what the universes need, the 'Dream Warrior'. As the Dream Warrior, Llana is thrown into an exciting new existence with superhuman abilities and strength beyond comparison but the 3 Devil War Lord Brothers each want her as their own. It will be up to Llana and her UNIT to take them down, but it won't be without a fight, hardship, and casualties. Love struggles between human and non-human; will she choose the right one?
