Irving Wallace

The Fan Club Irving Wallace

Imagine you are obsessed with a beautiful, famous actress. You know everything about her – at least, you know everything that the press, the tabloids, and the world knows about her. You think she is humble and nice and tired of living the Hollywood life. Better yet, you think she would fall for someone like you – a regular guy with a regular life. Now imagine that you told three other guys what you thought, and they all agreed – and you actually abducted this woman.

You are now in the head of the protagonist of Irving Wallace's thriller – The Fan Club. This is not a novel for the squeamish. After the abduction, things do not go as planned. At least three of the men involved force themselves on their captive. Each has his own problems, his own psychosis – his own reasons. Each is crazy in a different way, and their prisoner? She's not so sane herself.

The sexual situations in this novel show their roots in the cultural revolution of the 1970s. They are crude, rough, difficult to take. There are no punches pulled. The characters, while difficult to empathize with, are very believable. This novel is more a horror thriller than mainstream, but it has the power and authenticity readers have come to expect from Irving Wallace, one of the most popular and talented voices in American Literature.

Soon to be an unabridged audiobook, narrated by Eric Dove.

FIND MORE KINDLE BOOKS BY IRVING WALLACE, including The Man, The Prize, The Chapman Report (mentioned in Steven King's new novel), The Fabulous Showman, The Seventh Secret, The Two (Written with his daughter Amy Wallace) – as well as titles by other amazing authors including William Bayer, Amy Wallace, Hugh B.
